United States District Court  
Eastern District of New York

Zev Yourman,

Plaintiff,

Civil Action No.:

1:20-CV-336(BMC)(LB)

v.

\*Rec. in p drive 3/31/21 rg

Verizon Communications Inc., i/s/h/a

Verizon Communications and Joseph

Santos, et al.

Defendants.

Letter From Plaintiff

Pro Se to:

Magistrate Judge

Lois Bloom

United States District

Court

Eastern District of New York

225 Cadman Plaza East

Brooklyn, New York 11201

copy sent to :

Attorney for Defendants

Wilson, Elser

Attention: Craig Ginsberg

150 East 42nd Street

NY, NY 10017

Honorable Judge Bloom:

Greeting:

1.) I Zev Yourman am the Plaintiff Pro Se in this action.

I am not an attorney and I have never been to law school.

2.) The contents herein are true to the best of my knowledge, except that which is upon knowledge and belief, and are not frivolous, upon penalty of perjury.

3.) This letter is a respectful request that the proceedings in this litigation be temporarily put on hold/stayed.

4.) Facts leading to this court action: I have been a lifeline subscriber of Verizon telephone service for many years including the time period of the events leading to this action.

5.) Verizon unlawfully shut down my service in late 2018. After many unsuccessful attempts to get Verizon to reactivate my service, including a visit from a Verizon employee who failed to restore my service, damaged my apartment, left equipment in my apartment and failed to return to complete the work, the New York Attorney General suggested I take legal action against Verizon.

6.) On or about January 16, 2020 I filed this legal action against Verizon in this court.

7.) Soon after, the Covid Pandemic struck.

8.) Due to government directives and health issues, I have been locked down ever since.

9.) I have little contact with the outside world at this time, and no reliable means of communication. (see above #5.)

10.) Retrieving my mail, as per this case, is a serious safety issue at this time.

11.) Verizon upon knowledge and belief, has the ability with the mere flick of a switch in their tech center, to reactivate service on my phone line. In the interests of altruism, it would certainly make my situation more bearable.

12.) Due to my confinement, and in relationship to above paragraphs #8., #9., #10., I am incapable of participating in this court action at this time, even though my grievances against the Defendants still remain.

13.) Wherefore: This Plaintiff respectfully requests that this Court place this case on hold/stayed until society returns to normal and the courthouse is fully open to the public.

Yours etc.,

*Zev Yourman*
